## Mid-Atlantic Regional Health Equity Council Health Equity Hero Award *Call for Nominations*

The nomination period for the [Mid-Atlantic Regional Health Equity Council's](#) Health Equity Hero Award is now open. This award highlights the exemplary achievement of individuals who support community efforts in the vital goal of ending health disparities and promoting health equity.

Nominees may include healthcare providers, advocates, administrators, clinicians, or policymakers. Volunteers and individuals who work to improve health equity and whose efforts make a difference in communities are unsung heroes who deserve to be recognized and honored.

The award ceremony will take place in November 2017. Nominees for the Health Equity Hero Award should demonstrate:

1. Excellence and service as a visible leader working in the community to drive change by promoting multi-sector collaboration and ensuring accountability and transparency;
2. Commitment to eliminating health disparities by addressing one or more social determinants of health through the use of asset-based and innovative approaches to meet needs and build community; and
3. Improvement in the lives or experiences of others that is both measurable and replicable.

Do you have someone in mind? Completed nominations should be sent by e-mail no later than **October 6, 2017**. Send to [jsankofa@hprc.info](mailto:jsankofa@hprc.info).
